The Rectory

303 Elizabeth St., New York

Dear Rev. Pascal:

writing with the above. Near S. R.

In January 1920 I was in Marash, and it is possible that we met each other there, & for I recall a number of visits to the ~~Latin~~ ~~Monastery~~ ~~Armenian~~ Catholic Church = ~~script~~ ^{history} at present I am preparing a ~~book~~ ^{history} of the ~~history~~ Armenians of Marash betw 1914 and 1922 - how the ~~the~~ population decreased from about 25,000 to 3,000. Among the most interesting accounts of events in Jan 1920 was yours, published in "Les Memoires de Jean Mgr. Jean Ananian".

I would like to meet you in New York, if you permit, and will gladly come ~~from~~ ~~Portland~~ to The Rectory, if you permit. Please let me know what day of the week is best. ~~Since I would come by bus, it. The most convenient time of day for me would be either 10.30 AM or 2.30 PM. This~~ ~~would~~.

Since I would come by bus from Portland, I could hardly reach The Rectory before 10.30 AM or 11 AM, hence the ~~if~~ ~~this~~ is an inconvenient time for you, I could come ~~at~~ ~~2~~, early in the afternoon, say 2.00 or 2.30 PM.

I enclose an addressed envelope for your reply.

Sincerely yours,
